'Big Words' Curriculum	What they mean <i>(According to Colin in the song!)</i>	The ONE main teaching point <i>(will be on flashcards that parents can download from the web and use to recap truths at home)</i>	Suggested Bible text <i>(to avoid duplication)</i>

2. Revelation	'God shows himself to us'	How can we know God? We can only know God if he reveals himself to us.	Eph 1:17 (2:8)

4. Salvation	'Sinners saved from hell'	How can sinful people go to heaven? We can be sure about going to heaven because God sent Jesus to rescue us from the hell we deserve.	1 John 4:14
5. Propitiation	'God's anger turned away'	If God hates sin, how can he love sinners? On the cross Jesus faced God's anger against our sin our place.	1 John 4:10 (ESV)
6. Justification	'Just like we'd never sinned'	How can sinners be friends with God? Jesus paid sin's penalty so we can be forgiven and made right in God's sight.	Rom 5:1
7. Imputation	'Jesus' righteousness is mine'	How can God be friends with sinners? God swaps our wrongness for Jesus' rightness.	2 Cor 5:21
8. Resurrection	'Raised from death to life'	What does it mean to be born again? Everyone is born dead to God, but when we trust Jesus we're made alive to him.	Eph 2:4-5
9. Redemption	'Sinners bought by God'	Who does a Christian belong to? We were slaves to sin, but Jesus paid the price to free us to live for God.	1 Peter 1:18-19
10. Adoption	'Sinners made God's sons'	Why do Christians call God 'Father'? When we trust Jesus God makes us his children and puts us into his family.	John 1:12

Additional Notes:

- The aim of the each slot would be to teach the catechism answer – so that the kids can memorise it. This can then be reinforced at home by parents using the downloadable flashcards.
- We could aim to very quickly recap each big word each time – using the 'catechism questions' with the kids giving the answer together.
- Paul has offered to produce a backing track that would simplify the tune and make it more singable.
- We would not sing this every week. On the weeks where there is not time for a children's talk we could use this to sing the song. It would bring consistency of approach. We might be able to make this a track that was downloadable from the web.
- I would produce a funky PPT template for us to use + capture a 10 second 'jingle' from the song to introduce the 'big words' slot each week.
- The children's talks would still need to be 5mins max.
- We could look at using other people (Mandy Rutter is keen)
