

BIG WORDS

THAT END IN

BOON

How to use:

The purpose of this set of questions and answers is to help children learn some Big Bible Words to do with salvation and understand what they mean. These flashcards are based on the Colin Buchanan song: 'Big Words that end in SHUN' and which can be bought and downloaded from itunes. This song is a great supplement to this series. We will be using these Q&As in the kids slots at Woodgreen. The official term for this type of approach is a 'Children's Catechism' but we prefer to call it a 'Bible Quiz' in our family!

The best way to use these flashcards is as a supplement to your usual family devotions, or as an 'extra-special' holiday thing. Every day you should aim to look at one Big Bible Word with your child and then recap the previous days Words. You ask the questions and your child gives you the answers. It may seem a bit awkward and 'forced' at first, but before long your child will be fighting to answer each question!

When I've done this with my children I've put it in an A4 folder bent backwards on itself (see picture) so that it stands up like a display board. You can then easily flick through the questions one by one. Make it lots of fun and enjoy seeing the truth make a difference in your children's lives.
